No.Eng.66(Farm.)/3785
Bombay, 20th October 1943.

To

The Secy. to Govt.
R.D., Bombay.

Sub:- Silk Farm, Belgaum.
Continuance of - at
=======

Govt. were pleased to sanction the continuance of the scheme for the establishment of the Silk Farm at Belgaum upto 31st March, 1944, under G.R.R.D.No.1749/39, dated the 26th September, 1941. The period of the scheme is accordingly to expire on 31st March, 1944.

2. In this connection I have to state that the farm has been doing very useful work for the revival of sericulture, industry in the Province of Bombay. A brief note summarising the work done during 1941-42 and 1942-43 in this respect is enclosed herein for the information of Govt. The silk produced by the farm has been recently tested through spinning and weaving processes and the sample of cloth produced on a handloom is forwarded for inspection of Govt.. The scheme was inaugurated as ~~purely~~ an experimental measure which has been successful and it is gratifing to state that it has met a success. It is desirable, therefore, to establish the scheme on a permanent basis on the lines indicated below.-

3.(a) At present Govt. have sanctioned the following staff. ~~only.~~

1.Sericulturist and Supdt. on Rs.250 in the grade of Rs. 250-10-350.

1 Inspector on Rs. 50.

3 Operatives Rs. 20 each.

1 Peon. Rs. 15

1 Accountant clerk Rs. 60 p.m.

The entire staff excepting the Inspector has been entertained ~~so far~~. Experience has shown that changes in the personnel of the staff and scales of pay are quite

quite essential.

(b) As Govt. are aware, it ~~is too~~ has been extremely difficult to obtain the services of a sericulturist. When the scheme was first inaugurated it was with difficulty that Govt. could secure on loan, the services of Mr. E. S. Ramnath from Mysore Government. On the death of Mr. Ramnath on 21st February, 1943, ~~the practical work of the farm was at stake and~~ this Dept. has ~~been successful~~ with great difficulty ~~to~~ secured the services of a suitable expert from the Deptt. of Ind. and Commerce, Madras, on the revised grade of Rs. Rs. 250-10-350. It may be stated that in the event of the sericulturist proceeding on leave or resigning it is not possible to obtain the services of a suitable ~~hand~~ man in time to ~~continue~~ maintain the Continuity of the operations of the farm. ~~successfully~~. It is imperative, therefore, to have an Asstt. Supdt. of the farm who can be of assistance to the Supdt. and can look after his work in addition to his own duties when the sericulturist proceeds on leave. It is proposed, therefore, to abolish the post of inspector on Rs. 50/- p.m. as provided for in the scheme and to create a post of Asstt. Supdt. on Rs. ~~100-10-200~~ 100-5-175.

(c) There is provision for only one clerk on a fixed salary of Rs. 60/- p.m. in the scheme. This clerk has to do all clerical, accounts and typing work of the sericulturist's office and work in connection with the maintenance of accounts of silk yarn, raw cocoons, silk waste, layings and stores at the farm from day to day.

The present fixed scale of pay viz. Rs.60/- p.m. is not adequate. I, therefore, propose that the scale of pay for this post should be Rs. 55-5/2-~~75~~ and the present incumbent should be allowed to draw the present pay of Rs. 60/- p.m. and increment of Rs. 5/- from 1st April, 1944 in the above proposed grade.

(d) The pay of the operatives too, is not adequate

95-15/2-200

15) 10[redacted]

100 95-15/2-175

100-5-175

adequate looking to the nature of duties entrusted to them. They have to attend to day and night duties by shifts to the extent of some nine to ten hours a day. Their important duties are rearing the silk worms, feeding them at regular intervals of about two hours, looking after garden operations viz. mulberry cultivation, manuring, weeding, harvesting of leaves, watering etc.. It is not possible to attract suitable men for such hard work on the present fixed salary of Rs. 20/- p.m. . The operatives do not show willingness to stick to the job and once trained men go away it becomes very difficult to secure suitable hands and train them for such work. I am accordingly ~~quite convinced of the necessity of the revision of the scale of their pay and~~ propose that the scale of pay of the operatives should be Rs. 25-1-35 with effect from 1st April, 1944.

(e) The farm requires the services of a reeler for reeling silk from cocoons as soon as they are ready for reeling. Attention in this connection is invited to this office letter No.Eng.66(Farm)326, dated the 1st February, 1943, and Govt. R.D. letter No.1740-H/39, dated the 19th February, 1943, sanctioning the entertainment of a silk reeler as an experimental measure for six month on Rs. 40/- p.m.. With the growing activities of the farm as sanctioned under G.O., R.D. No.1740/39, dated the 30th March, 43, the entertainment of a full time reeler under the scheme is essential. It is proposed therefore to create the post of a reeler on Rs. 30-2-40.

4. It may be mentioned here that the farm is situated at a distance of 4 miles from Belgaum. The entire staff concerned having no residential facilities nearby the farm has to face serious difficulties in

in attending to their duties from Belgaum to the farm at Hindalga. Almost all members of the present staff have a bicycle of their own and have to be out of pocket on their upkeep and maintenance. It is desirable to provide for cycle allowance to each member at the rate of Rs. 5 /- p.m..

5. Summarising therefore, the budget estimates for the year 1944-45 for this scheme will be as under :-

(1) Pay of Establishment.

Sericulturist & Supdt on Rs. 250 p.m. in the grade of Rs. 250-10-350 (at Rs. 250 from 1.4.44 to 30.6.44 and Rs.260 p.m. from 1.7.44 to).	3,080
Asstt. Supdt. on Rs.100 p.m. from 1.4.1944 (100 x 11).	1,100
Accts. Clerk on Rs.65/- p.m. in the grade of Rs.55-5/2-75.	775
3 operatives on Rs.25 p.m. each in the grade of Rs. 25-1-35.	885
Reeler on Rs.30 p.m. in the grade of Rs. 30-2-40.	330
Peon on Rs.15 p.m.	180

(2) Allowances & Honoraria.

T.A. (Ordinary).	300
Dearness allowance.	702 ~~762~~
Cycle allowance at Rs.5/- p.m.	480 ~~540~~

(3) Contingencies.

Working charges of the farm.	3,500

6. I shall be grateful if you will be so good as to move Govt. kindly to sanction the scheme for the farm on a permanent basis on the lines as detailed above. I am forwarding separately a new item in this respect.

The rate of duty on dried, cured or salted fish exported from India was only Re.1/- per cwt., but even this was considered by the fishermen of the West Coast to be high and detrimental to their interests. Copy 14-2.

Please see the attached T.A. bills of Mr. A.K. Poovaya appointed as sericulturist on Rs. 250/- p.m. vide letter no. Eng 66(S)-2390 D/ 7-6-1943. In para 4 of this letter it was stated that his head quarter would be at Belgaum.

A. The first T.A. bill is for Rs 212/3/- It is for the journey from coonoor to Bombay on 26-6-1943. As he was asked to join duties at Belgaum. (His head quarter) he can, if at all, get T.A. from Coonoor to Belgaum at the rate of his old Pay (Rs. 50/-) under the Madras Govt. If he is transfered for the public convenience, he is entitled to Pay at his old rate during the period occupied by his journey. He has not been paid his Pay for this transit period.

His second T.A. bill is for Rs. 52/6/-. He claims daily allowance for his halt at Bombay from 1st to 4th and for his journey on 5-7-43 from Bbay to Belgaum as journey on tour.

At the close of our letter no. Eng 66(S) 2390 D/ 7-6-43 it was intimated to him that if his lien is kept (on his old Post) and a leave and Pension contribution is required to be made, he will make it out of his Pocket.

The Purpose of journey shown in column 22 is incorrect. It should be "Return to head quarter from tour".

The fact of his being intimated that he should Pay his leave and Pension contribution out of his Pocket ~~clearly shows that he applied if the Govt. did not allow him T.A. for joining his head as a gazetted officer after appointment~~ ~~for joining his initial appointment~~ ~~appt.~~

Submitted for favour of orders.

It appears that in ~~offering~~ this appointment Mr Poovaya the Dept is not going to consider his previous services & that he will be entitled to TA etc from the date he has reported to Rly, which was the his Head Qrs ~~for the Dr. & Dy. appts~~ which he proceeded to Belgaum & this letter please has been his H.Q. since then.

If the above view is agreed the Bill may be passed accordingly.

Sir,

I have the honour to state that I have completed ~~nearly~~ 1 year and 4 months of service in this Department. The question of getting my services transferred from Madras Government to this Government is not settled as yet nor have I been paid my pay for the joining time which I took from 23rd June to 30th June 1943, from either of the Governments. I have also submitted my travelling allowance bill for Rs 212/13/- under this office No. T.A. 312, dated 4th October 1943, for joining my first appointment and the travelling allowance of Rs. 52/6/- only due on account of the journey from Bombay to Belgaum.

Further, it is submitted that the then Director of Industries assured me that the post of Sericulturist would be immediately Gazetted but up-to-date it has not been done.

It is, therefore, requested that the question of getting my services transferred from Madras Government may please be

be settled early & the pay bill for the interim period I took for joining the ~~first~~ appointment, submitted under this office No. SB-307 of 30th September 1943, may please be passed along with the travelling allowance bills mentioned above and also the appointment Gazetted.

endorsement No. Eng 66(3)-2391 dt. 7-6-43 to the Direc-
tor of Industries and Commerce, Madras requesting him to relieve
Mr. Poovaya to take appointment as Sericulturist under the
Deptt. Mr. Poovaya was relieved by the Director on 22-6-43 after
noon to enable him to join the deptt by 1st July 1943.

Prior to Mr. Poovaya's appointment in this Deptt he was
holding a permanent post under the Director of Industries and
Commerce, Madras. Mr. Poovaya's services have been transferred
Flag 'K' as stated in para 1 of the letter No. 1256 D, 43 dt. 17-8-43
addressed to the Deptt by the Director of Industries etc Madras and as
such he is entitle to T.A. etc for joining his appointment under this
Deptt. under M.C.S.R. 488.

The Sericulturist Govt Silk Farm. Belgaum. in
para 1 of his letter No. Sst 11-614 dt. 14-11-44 says that he
has not received any pay for the ~~above~~ joining period viz. from 23rd June to 30th
June 1943 from the part of the Govts. In this connection it is stated
that Mr. Poovaya is treated as a transfer from Madras ~~Govt~~ to Bombay
Govt. and as such he is entitle to get pay, ~~as~~ for joining period either
from Madras Govt. or from Bombay Govt. on the basis of pay he was
drawing under Madras Govt. It is suggested that the accounts branch may
be requested to do the needful in the matter.

Mr. Poovaya's Service from the date he is relieved,
will be counted for leave, pension etc. purposes under M.C.S.Rs when
he is confirmed in the deptt. Mr. Poovaya has served for about
nineteen years under Madras Govt and it will be great loss
to him in case his previous services are not counted for leave
pension etc. Mr. Poovaya's previous Service cant not be counted for
leave pension etc purpose under M.C.S.Rs, this may be possible
only both the Govts agree in the matter. Since the Director of Indust
and Commerce, Madras agreed to transfer the Service of Mr. Poovay
according to this deptt memo: it is presumed that Madras Govt.
will have to agree to contribute towards leave, pension etc. for
Mr. Poovaya's previous Service since he was holding a permanent
post there. In case Madras Govt. do not agree to contribute for
the most they may demand his services back. Mr. Poovaya
is working at present as a Sericulturist on temporary measures
The Govt. were requested to Sanction the Scheme for the Silk
Farm on a permanent basis last year but Govt sanctioned
the continuance for further period of one year. It appears that the

scheme is likely to be made permanent in near future. The question of approaching Govt. to transfer the services of Mr. Poovaya may be taken up when the Silk Farm is made permanent and not at this stage because liability of bringing Mr. Poovaya in the dept will lie on the dept. which approaches Govt. to transfer his services at this stage and Madras Govt. agrees to do so. Mr. Poovaya is a permanent Govt. servant.

As regards the statement made by the Secretary, Belgaum in para 11 of his letter, there is no official record giving assurance that he would be made Gazetted Officer shortly. It does not seem necessary at this stage to move Govt. in the matter. The question may be taken up as further developments

orders are solicited.

A.O:- The letter of appointment given to Mr. Poovaya does not contain any stipulation as to joining time or

The appointment of Mr P. may however be taken to be in public interest in view of the remarks contained in para 3(6) of our letter to Govt. No. Engg(Farms)3/85 dt. 20-10-43. Specific orders of Govt. may however be obtained for sanctioning pay to Mr. P. for the journey period and also for the travelling exp. for his first joining the duties. His second T.A bill for journey Bombay to Belgaum may be passed for payment in the meantime. The letter from the Dept. of Ind. & Commerce, Madras dt. 18-[illegible]-44 may also be replied saying that the claim of Mr P. may be retained on his permanent job till the job to which he is appointed in this Dept. is made permanent by this Govt. which is expected to be in the near future.

Appointment of Mr. A.K. Poovaya as Sericulturist of - Transfer of services of:-

Sir,

Govt. were pleased to sanction the conti nuance of the Scheme for the establishment of the Silk Farm at Hindalge, District Belgaum fo a further period ending 31st March 1945 under Govt, Resolution, R.D.No,1740/39-II dated the 11th April 1944.

2. In this connection I may mention that when the said scheme was first inaugarated it was with great difficulty that Govt. could secure on loan, the services of Mr. E.S.Ramnath from Mysore Govt. On the death of Mr. Ramnath on 21st Feb. 1943 this Department has with great difficulty secured the services of Mr.A.K. Poovaya, suitable expert from the Department of Industries and Commerce, Madras on the revised grade of Rs.250- 10-350. Mr. Poovaya wa relieved on 22nd June 1943 afternoon and he joined this Department as a Sericulturist in the forenoon of 1st July 1943. Mr. Poovaya has subsequently submitted his claim for T.A. from ~~Coonoor~~ Conoor to Bombay for joining his appointment under this Department and his joining time pay

3. As Mr. Poovaya was holding a post in the subordinate service under the Govt. of Madras and as the Director of Industries and Commerce Madras was willing to transfer his services to this Province, ~~and~~ an appointment was accordingly

issued/

issued to him through the letter. No specific mention was made in the appointment order that Mr. Poovaya would be allowed joining time and be eligible to draw T.A. on transfer on the assumption that this was unnecessary in ~~the~~ view of the ~~first~~ fact that he held a permanent and pensionable post under the Govt. of Madras. He was, however, allowed to retain a lien on his post in Madras. Mr. Poovaya was in continuous service from 15.11.1924 to 22.6.1943 under the Govt. of Madras. Consequently if no pay is allowed to him for the joining time referred to above, there will be a break in his service and he will have to sacrifice the pension to which he is entitled by virtue of more than eighteen years' services. I am afraid that Madras Govt. will not agree to pay for the transit period since the transfer is in the interest of Bombay Govt.

4. Govt. are aware that it is ~~teo~~ very difficult to obtain the services of a Sericulturist. It will be seen from the facts mentioned above that the transfer of Mr. A.K.Poovaya from the Sericulture Dept. of the Govt. of Madras to the Govt. Silk Farm, Hindalge, Dist. Belgaum, was in the interest of Bombay Govt. I, therefore, request you kindly to move Govt. to declare the transfer of Mr. A.K.Poovaya to be in the public interest.

I shall be obliged for very early orders of Govt. in the matter.

As Mr. Poovaya's services were obtained by this Government in the interest of the sericulture industry of this Province, and in order that he may be entitled to joining time pay for the transit period from 22nd June 1943 to 1st July 1943 and to the benefits of pension and leave etc. ,accruing to him on account of his service of more than 18 years under the Government of Madras, this Government is prepared to treat him as having been transferred from the Madras Government to this Government, provided your Government agrees to this proposal and to the allocation of his leave and pension charges in accordance with the rules in Appendix 3 of the Account Code, Vol,I. I am therefore to request you to communicate to this Government, at an early date, the views of the Madras Government in the matter and also to intimate the pay Mr. Poovaya would have drawn under the Madras Government had he not been appointed by this Government as sericulturist.

The services of Mr.A.K.Poovaya were obtained for the post of Sericulturist in the grade of Rs.250-10-350 sanctioned for the Silk Farm at Belgaum. Mr.Poovaya was holding a post in the subordinate service under the Government of Madras (Deptt. of Industries and Commerce) and was in continuous service from 15-11-1924 to 22-6-43 under thatGovt. The Dir. recommends that the transfer of Mr.Poovaya to the service of this Govt. may be declared to be in the public interest. Presumably this is intended to entitle him to joining time pay for the transit period from 22-6-43 to 1-7-43 and T.A. from Coonoor to Bombay and in order that he may not lose the benefits of pension and leave etc., accruing to him on account of his service of more than 18 years under the Govt. of Madras.

2. Attention is requested to the orders issued in G.R., No.9035/33, dated 25-3-44 & the correspondence printed in the preamble thereto, which provides a parallel case. Dr. Trehan had put in nearly 16 years' service under the Punjab Govt. prior to his being appointed as Agrl. Entomologist under this Govt.. It was decided as a spl. case to consider him as having been transferred from the Punjab Govt. to this Govt. and to allocate his leave and pension charges in accordance with the rules in App.3 of the Account Code, Vol.I. He was also granted joining time pay at Rs.250/-p.m. (i.e. his initial pay on apptt.as Agrl. Entomologist) for the transit period. The only point of difference was that his request for grant of T.A. from Lyallpur to Bombay was not granted as he had accepted the post in his own interest in response to the advertisement issued by the Bombay-Sind Public Service Commission.

3. In view of the facts stated by the Dir.of Industries there appears no objection to issue orders, similar to those quoted in para.2 above, in Mr.Poovaya's case. Before however this is done, the Madras Govt. will have to be consulted as to whether it agrees to consider Mr.Poovaya as having been transferred from that Govt to this Govt. and to the allocation of his leave and pension charges in accordance with the rules in App. 3 of the Account Code, Volume I.

4. As regards T.A. it seems that Mr.Poovaya's case will have

P.T.O.

to be treated differently in view of the fact that his services were secured in the interest of this Govt. If approved, sanction may be accorded to the grant of T.A. to Mr.Poovaya for his journey from Coonoor to Bombay.

5. Incidentally it is not clear why the Director waited for over 1½ years before putting up the matter to Govt.. The point need not however be pursued.

6. The pps. may be shown u.o. to the F.D. with reference to the orders proposed in paras. 3 & 4 above before addressing the Madras Govt. in the matter.

Please see G.R.R.D.No.9035/33 dated 25-3-44 and the copy of the F.D. noting underlying it. On the analogy of Mr.Trehan's case the proposal in para. 3 of the foregoing R.C.D. note may be accepted. Mr.Poovaya's pay during joining time should be the pay he would have drawn under the Madras Govt. but for his transfer as Sericulturist under this Govt. or the pay he draw on taking charge of the Sericulturist's post under this Govt., whichever is less.

2. As for the proposal in para. 4 of the foregoing R.C.D. noting, the reasons for which Dr.Trehan was not given transfer T.A. are reproduced in para. 2 of the O.N. dated 17-9-43. The same considerations seem to apply to Mr. Poovaya's case also. If so, this Deptt. may advise that the decision in Mr.Trehan's case on the issue re: transfer T.A. may be followed in this case also.

Dated, Fort St. George, the 6th November 1945.

Sir,

Sub:- Poovayya, Sri A.K., Sericulturist, Government Silk Farm, Belgaum - Transfer of services.
Ref:- Mr.Yadav's letter No.1740.J/39 dated 1-9-45.

I am directed to state that the Government of Madras have no objection to the permanent transfer of Sri A.K.Poovayya to the Government of Bombay, but that they are not agreeable to undertaking any financial liability for leave salary and pension charges in respect of the past service of the officer in this Province.

Mr. Poovayya was drawing Rs.80/- in the scale of Rs.60-4-80 before he left for Bombay. If he had continued under this Government and if his work were satisfactory he would have been promoted to the post of Farm Manager on Rs.75-5/2-100 with chances of rising to a post on Rs.150-200 per mensem.

Submitted with reference to F.D.note dated 29-1-45.

The Govt. of Madras agrees to the permanent transfer of services of Mr.Poovayya to this Govt. That Govt. however declines to take any responsibility for leave salary and pension charges in respect of his past services. As Mr. Poovayya's services were obtained in the interest of this Govt. this Deptt. may agree that Bombay Govt. may take over Mr.Poovayya permanently and bear the leave and pensionary charges. These papers may now be shown u.o. to F.D. as desired by that Deptt.

Finance Department (C).

In his letter dated 23rd December 1944 (page 1 ante) the Dir. of Industries recommended that Mr.Poovaya should be treated as transferred in public interest from the Madras Govt. to this Govt. As a consequence of such a transfer, Mr.Poovaya can get the following benefits:

(a) Joining time and pay during joining time (vide B.C.S.R. 101 and Note 2 below it);

(b) Transfer T.A. (vide B.C.S.R.498);

(c) The concession of counting his past service under the Madras Govt. towards leave and pension.

According to the rule 1 in Sect. I of Appx. 3 (part B) of Account Code, Vol. I, the financial liability in respect of (a) and (b) above falls on this Govt. F.D. has already agreed to the benefits at (a) and (b) in this Deptt. noting dated 27-1-45 (p. 4 ante), but as the Madras Govt. is liable under Sections II and IV of the above-mentioned Appendix, in respect of the benefit at C, the U.S. in his marginal note dated 27-1-45 advised that the Madras Govt.'s reply should be awaited.

2. As regards the Madras Govt.'s reply and the foregoing R.C.D. note, it is not clear how the question of Mr. P.'s

P.T.O.

permanent transfer to this Govt. can at all arise. It is seen from para. 1 of the Dir.'s letter dated 22-12-44 that the Govt. Silk Farm Scheme is temporary. If so, Mr.P. could be holding only a temporary post of a sericulturist under this Govt. It is presumed that the scheme has not been made permanent since the date of the Dir.'s letter. The R.C.D. may kindly verify whether Mr.P. is temporary or permanent under this Govt.

3. In any case, the attitude taken by the Madras Govt. seems inconsistent and is likely to operate harshly against Mr.P. The Madras Govt. have no objection to the 'transfer' of Mr.P.'s services. Then, whether this transfer is permanent or temporary, that Govt. is liable for the leave and pension charges in respect of Mr.P.'s past service in the Madras Province in accordance with the rule in Appx. 3 to the Account Code, Vol. I. The rules of allocation in that Appendix are binding on all Govts. and they have been arrived at after mutual agreement. This position has been recognised in Article 29 of the Madras Account Code, Vol.I and Appendix 3 thereto which has been reproduced from Appx. 3 of the Civil Acctt. Vol. I of the Central Govt. It follows that the Madras Govt. cannot refuse to bear the leave and pension charges on account of his past service, when at the same time it accepts the proposal to transfer Mr.P.'s service. From 'X' on page 2 ante, it will be seen that Mr.P. has over 18 years pensionable service under the Madras Govt., and his lien on his permanent post in Madras has been retained. Therefore, if as stated in para.2 above, he is holding a temporary post in this Province, he will have to fall back on his permanent post in Madras when his appointment here is over. Even assuming that he is confirmed in a permanent post under this Govt., there is every justification for the Madras Govt. to accept the liability for his past service in view 'A' above and especially as the Dir.of Industries, Madras was willing to transfer his services to this Province (vide T on page 1 ante). From para. 2 of their letter dated 6-11-45, it appears that the Madras Govt. fear that their pensionary liability will increase, since Mr.P. will get higher pension on the basis

P.T.O.

of the pay under this Govt. But this fear is unfounded, if Mr.P. has ultimately to go back to Madras where he holds his lien. It will be a distinct hardship on him to lose his long pensionable service under Madras. It will be seen from the F.S.'s note dated 22-10-45 in papers No.834/32/36885 that even when persons come to service under this Govt. in their own interest and after selection by the P.S.C., they can on merits be allowed to retain the benefit of their service under the previous Govt. by resorting to the device of granting joining time without joining time pay. This was done recently in the case of Mr.Sapre, Disease Irvestigation Officer. Mr.P.'s case is stronger, because as stated in the U.S.'s marginal note on page 4 ante, his services were ontained from the Madras Govt. F.D. may, therefore advise that the position explained above may be brought to the notice of Madras Govt. and they may once again be requested to accept liability in respect of Mr.P.'s past service, after verification of the point raised in para. 2 above.

Please re-examine with refer. to rule 8(b)(ii) on page 81 of the Madras Acct. Code - Vol. I.

Sd/- J. J.
18/12.

Submitted with reference to the F.A.'s foreging instruction.

2. The rule referred to by the F.A. has been reproduced from rule 8(b)(ii) of the Civil Account Code, Vol.I. But the latter rule has been amended by ~~Conde~~ Correspondence. Slip No.28 dated 2nd February 1942. The position prior to the amendment was that the pension of a Govt. servant who had served under more than one Govt. (other than the Central Govt.) was borne by the Govt. under which he was serving at the date of retirement. Under the amendment this position still prevails in respect of pensions sanctioned after 1-1-42, before 6th January 1942 but as regards pensions sanctioned — they are now divided amongst the several Govts. in proportion to the length of service rendered under each. The

P.T.O.

Madras Govt are aware of this amendment as will be seen from 'A-A' of the noting in Dr. Viswanathan's case. It follows that Mr.Pooviya's pension will be divisible between the Bombay and the Madras Govts. in accordance with the amendment in ~~Corrc~~ Correspondence No.28 provided the Madras Govt. agree to bear their pensionary liability.

As proposed in C.N. dated 17-12-45. The allocation rules are based on reciprocity and it does not seem reasonable that Madras should ~~report~~ depart from them in the way they suggest.

Submitted with ref. to G.L., No.1740-J/39, dated 1-2-45 and the proceedings underlying it.

2. The Govt. of Madras has expressed its willingness to transfer the services of Mr.Poovarya to this Govt. permanently but has refused to undertake any financial liability in regard to the leave salary or pension in respect of Mr. P.. Please see para. 2 of F.D. note of 17-12-45 from 'A' of which it will be seen that the Madras Govt. cannot refuse the financial liability mentioned above when they agree to the transfer of Mr.P's services. As Mr.P.'s lien is retained on his permanent post under the Madras Govt., it seems that his transfer to this Govt. is temporary. This is further corroborated by the fact that the Belgaum Silk Farm is itself temporary and is proposed to be continued up to 31-3-47 in the first instance. As however arrangements for securing Mr.P.'s services were made direct by the Dir. of Ind. under the authority delegated to him by G.L.No.1740-H/39, dated 20-3-43, it is not known if Mr.P's services were secured permanently. Notwithstanding that, t the Madras Govt. will have to bear his leave salary and pension charges according to the Rules in Appendix 3 to the Account Code Vol.I. Before however, the Madras Govt. is addressed in terms of para. 2 of F.D. note of 17-12-45, it is desirable to know the terms and conditions, and the basis (permanent or temporary) on which Mr.P's services were borrowed from the Madras Govt. which may shed some light on the unreasonable refusal of Madras Govt. to bear leave salary and pension charges in respect of Mr.P. The Dir. of Ind. may be requested u.o. to furnish the necessary information.

Subject:- Govt: Silk Farm, Belgaum - Appointment - of Mr. A. K. Poovaya as Sericulturist - Transfer of Services from Madras Govt. to Bombay Govt.

SUBMITTED.

Government were moved under this office letter No.Eng.66(Farm)/295, dated the 23rd December 1944 to declare the transfer of Mr. Poovaya from Madras Govt. to this Govt., to be in the public interest with a view that Mr. Poovaya could get the following benifits by such a transfer.

(a) Joining time, and pay during joining time.

(b) Transfer T.A.

(c) The concession of counting his past service under the Madras Govt. and towards leave and pension.

2) Govt. having satisfied the contents of this Department's letter referred to above, wrote under letter R.C.D. No.1740-J-39 dated 1st February 1945 to Madras Govt. that Bombay Govt. were prepared to treat Mr. Poovaya having been tran-ferred from the Madras Govt. to this Govt. provided Madras Govt. agreed to the proposal and to the allocation of his leave & pension charges in accordance with the rules in appendix 3 of the Accts. Code, Vol. I. In replying to the above letter Madras Govt. under their letter No.MS.4398 dated the 6th November 1945 informed that they had no objection to the permanent transfer of the services of Mr. Poovaya to the Govt. o Bombay, but that they were not agreeable t undertaking any financial liability for

P.T.O.

leave salary and pension charges in respect of the past service of Mr. Poovaya in Madras Province.

3 Attention is now invited to the Proceedings of R.C.D. and F.D. from the pages 9 - 14. According to F.D's note Madras Govt. cannot refuse the financial liability with regard to the leave salary etc., in respect of Mr. Poovaya since Madras Govt. have expressed their willingness to transfer the services of Mr. Poovaya to this Govt. permanently. However before Madras Govt. is addressed in the matter in the terms of F.D's note the R.C.D. desires to know the terms and conditions, and the basis (permanent or temporary) on which Mr. Poovaya's services were borrowed from Madras Govt. under the Authority delegated to the Director by G.L. No.1740-H/39 dated 20-3-43.

4 Mr. Poovaya was appointed under the terms and conditions detailed in this office letter No.Eng.66(S)/2390 dated the 7th June 1943. One of such conditions personally included by the then Director was that, if a lien was kept, and a pension and leave contribution were required to be made, Mr. Poovaya would make it direct from the salary payable to him by this Department, when the Madras Govt. was requested to transfer Mr. Poovaya's services to this Department vide this office endorsement No.Eng.66(S)/2391 dated 7th June 1943. A. O. May kindly see whether such conditions can be imposed under existing rules before a copy of the above appointment letter is being forwarded to Govt. as desired. As regards the basis of appointment it appears from the orders dated 13th September 1943, passed by the then Director

Flag A

Mr. V. is not in foreign service since he is still being paid from Govt. revenues. The question of pension & leave contribution therefore does not arise in his case. He will be governed by rules in Appendix 3 to the Account code Vol. I.

of Industries that Mr.Poovaya must have been assured of getting his services transferred and the post he held made permanent and pensionable. This is further corraborated by the fact that, if he had not been given the above assurance he would have reverted to his parent Department when he was offered the post of Asst. Sericulture Expert in the month of August 1943. As regards his lien on his substantive permanent post under Madras Govt. the Director of Industries & Commerce, Madras had informed this Department that Mr.Poovaya would be permitted to retain his lien in his Department, provided Mr.Poovaya paid regularly pension & leave contributions. The Director of Industries & Commerce, Madras, was requested under this office letter No.Eng.66(Farm)/2952 dated 23-12-44 to allow Mr. Poovaya to retain hi lien on the post he held for 3 years from the date he was relieved for joining the appointment under this Department. The reply with regard to the lien is still awaited. Hence it is not possible to state whether Mr.Poovaya has been allowed to retain lien. Govt. may be informed accordingly.

5 It will be seen from the report of the various high officials such as advisor(F) Advisor(E). Director of Agriculture, & Rajasaheb Kurundwad that Mr.Poovaya has rendered very useful service since his transfer to this Dept. to reintroduce the Sericulture Industry in this Province. Govt. may be requested to make the post of Sericulturist, permanent and pensionable and allow this Dept. to confirm Mr. Poovaya in the said post. Govt. may be also pressed to declare transfer of Mr. Poovaya to be in the public interest.

I have no remarks to offer on this case.

Mr. A.K.Poovaya was appointed as a Sericulturist at the Government Silk Farm - Hindlge, District Belgaum under the terms and conditions detailed in this department letter No. Eng. 66(S)/2390 dated 7th June-1943 (copy enclosed). He was relieved by the Director of Industries and Commerce, Madras, as per endorsement No. Eng. 66(S)/2391, dated 17th June 1943 and informed this department, vide his (Director) letter No.1256-D/43 dated 17th August 1943 that he (Mr.P.) could be permitted to retain his lien provided he would pay regularly pension and leave contribution. It is learnt from him that he (Mr.P) has not contributed towards leave and pension etc. I presume that since he is not in foreign service and still being paid from Government revenues he will be governed by rules in Appendix 3 to the Accounts Code Volume 1. He was offered a post of Asstt. He is very hard working and has considerable knowledge of the industry. Further it will be seen from the accompnaying remarks offered by various high officials etc. that he has rendered meritorious service since his transfer to this department to revive sericulture industry in this Province.

According to the preamble of the G.R. R.D.No.9674/39 dated the 17th June 1944

Government are satisfied that there is a considerable scope for the revival of sericulture industry in certain parts of this province on a permanent basis. Hence the services of the Sericulturist are quite essential throughout in technical matters and to watch the interest of plots etc.. It might be stated for the information of Government that Bengal, Madras, Kashmir, Mysore and Punjab Governments are maintaining the services of such experts on permanent basis.

In view of the above I request Government to sanction the post of Sericulturist on a permanent and pensionable basis and to allow this department to confirm Mr. P in the said post. Further it is requested that Mr.P's trarsfer to this department may be declared to be in the public interest.

Subject:- Poovaya Mr.A.K.Sericulturist, Government Silk Farm Belgaum.
Liability for leave salary and pension charges in respect of past service of ---

Sir,

I am directed to invite reference to paragraph 1 of your letter, No.M.S.4398, dated 6th November 1945 on the above subject and to state that as the Madras Government agrees to the transfer of Mr.Poovaya to this Government, it is liable for the leave and pension charges in respect of Mr.Poovaya's past service in the Madras Province in accordance with the rules in Appendix 3 to the Account Code, Volumne I which are based on reciprocity and are binding on all Governments. This position has been recognised in Article 29 of the Madras Account Code, Volumne I and Appendix 3 thereto which has been reproduced from Appendix 3 of the Civil Account Volumne I of the Central Government. The Madras Government cannot, therefore, refuse to accept the liability in respect of Mr. Poovaya's past service when at the same time it accepts the proposal to transfer Mr.Poovaya's service. Moreover, the Director of Industries, Madras, had agreed to transfer Mr.Poovaya's services to this Province and the order of appointment of Mr.Poovaya was accordingly issued to him through the letter. In this connection, I am also to state that the post of Sericulturist in the Province is being made permanent and Mr.Poovaya will be confirmed in that post from 1st April 1947. As, however, he has put in about 18 years pensionable service under your Government, it will operate harshly on him if your Government does not agree to accept the liability in respect of his past service. I am, therefore, to request you to reconsider your decision and to agree to bear the leave and pension charges in respect of Mr.Poovayals past service and to communicate the decision of
